Multipurpose Room Rentals at NCC

Recreation Director McGaharan brought attention to the NCC room rental policy. He stated that there are instances when a Northwood resident rents the room for someone other than themselves. He asked the committee if we should allow this or not allow the rental if it is caught. There was discussion regarding the issue and the committee was reminded that the rules state the person renting the room must be onsite for the duration of the rental. The committee came to the conclusion that rentals should operate as is for now.

Facility Age Restrictions

Recreation Director McGaharan stated family memberships are the least amount sold and those are the memberships that we would profit from the most. He stated that changing the age restrictions may help increase sales of family memberships because it will give kids the opportunity to use the facility. Rec Director McGaharan stated he spoke with the City Administrator, City Attorney, the insurance underwriter, and the fitness equipment sales representative and they all agreed and approved lowering the age restrictions.

New age restrictions would be

Ages 10-12 allowed to use the gymnasium and walk on the track by themselves while an adult is present in building.

Ages 13+ allowed to workout in the facility without adult supervision after the orientation is completed.

MOTION: Councilor Barton made a motion to **approve new age facility restrictions**; seconded by Councilor Huntermark. **ROLL CALL: Yes:** Councilor Huntermark, Recreation Director McGaharan, Councilor Barton; **No:** None; **Abstain:** None
