Kevin:

The Finance Director has asked that I get a *Record of Action* (ROA) to proceed with the purchase of equipment needed for my (2) new police SUVs. The total price is \$29,993.14 for this acquisition. I was able to obtain three quotes that are outlined as follows:

1. Parr Public Safety Equipment, 6106 Bausch Rd., Galloway, OH, gave a total price of \$40,941.98,
2. Statewide Emergency Products, 1108 W. Main St., Van Wert, OH, gave a total price of \$29,996.00, and
3. D.R. Ebel, 3203 Woodville Rd., Northwood, OH, gave a total price of \$29,993.14.

I recommend that we obtain our equipment from D.R. Ebel. They were the lowest quote received, are a local business, and are a convenient choice to take our vehicles to have the equipment installed. They are also close and willing to fix any issues after the install of the new equipment. I have been using D.R. Ebel for the past several years with no issues.

I have \$26,800 budgeted for this purchase; however, additional funds are available in the 408-account due to a savings of over \$20,000 with the police vehicle order.

If you agree, would you please present this to council so that I can get an ROA to proceed?

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeff Zahradnik", is written over a circular blue stamp or seal.
